Villanova University Center for Irish Studies

Meet Our Speaker

Denis Mulcahy *Founder, Project Children*

Denis P. Mulcahy, a native of Rockchapel, County Cork, emigrated to the United States in 1962. He joined the New York City Police Department in 1969. He served with the Tactical Patrol Force, Street Crime Unit, and the 28th Precinct Detective Squad, before joining the elite Bomb Squad in 1983. He retired in 2002 as a First Grade Detective after 33 years of dedicated service to the NYPD.

Denis was one of the founders of PROJECT CHILDREN in 1975. Throughout the 40 years of the program over 22,000 young Catholics and Protestant children travelled to the US for summer holiday respite from the everyday violence and strife of their homeland. The program continues for the young adults in the intern program. The intern program is both cross community and cross border, and gives them the opportunity to work together beginning each summer with a week working together at Habitat for Humanity in Tuscaloosa, Alabama.
