We'd like you to be part of the Laois Diaspora Business Network

Dear Sir/Madam,

I am writing to you on behalf of Laois County Council about a new initiative aimed at identifying and engaging with the Laois diaspora. This initiative aims at building new connections and strengthening existing ones under the umbrella of the Laois Diaspora Business Network (LDB Network).

The LDB Network offers valued members of the Laois diaspora the opportunity to be recognised as part of the family of business people who have a link to County Laois. Laois County Council is a strong advocate of strengthening these links and a believer in the opportunities and markets which these connections can deliver. Becoming a members of this network affords you the opportunity to engage and network with like-minded business people across the world.

It is free to join this network. To start the initial conversation we need some of your contact details which is listed at the bottom of this email. The information you forward is limited to your contact names, link to Laois, business interest and contact details.

The LDB Network will be hosted on a new website which is currently being developed as a marketing tool for County Laois. Any information you forward to us will be published on this website.

Laois County Council intend to keep members updated routinely with the development and business news from within the county and around the world via the LDB Network. Laois County Council may be contacting you regarding up-coming events that you may wish to become involved with.

If you have any queries please don't hesitate to contact me at [laoisdbn@gmail.com](mailto:laoisdbn@gmail.com) or +353 87 2494596
