

Participant Company Information

Envision Intelligent Solutions

Envision Intelligent Solutions is a bespoke technology led security solutions provider. For over 78 years, Envision has worked to develop a fully managed service that encompasses all aspects of security, and is able to produce bespoke security solutions. The company is at the forefront of the security sector, its aim is to offer a service to accommodate customer needs with combined services packages and it is renowned for its innovation in technology sourced from around the globe.

Healthcare Analytics

Healthcare Analytics provides customers with easy to use technology that will support them in improving their patients experience. The company was founded in 2016 and has developed a significant partnership with the Northern Ireland Health Service to build an innovative, scalable and secure platform using advanced Machine Learning (ML) and Internet of Things (IoT) technologies for the management of Healthcare Assets including Beds, Instruments, patients and staff.

Impact Fabrications

Impact Fabrications specialises in steel fabrication for the construction, wind energy, hydro energy and the waste recycling industries. Operating from a state-of-the-art manufacturing facility in Armagh, Northern Ireland, we carry out all aspects of our contracts in-house from the initial sketch to 3d drawings on the fabrication side. We do all our own cutting rolling and folding which gives us a quicker turnaround for our customers.

Irish Bog Oak

Irish Bog Oak was founded by Trish Rogers who has a passion for bog oak. Trish creates sculptures which are completely unique and works with Irish Bog Oak which is dated over 6,000 years old. Once dug from the ground, she can spend up to 2 years working and caring for the oak to turn it in to the finished sculptures. All of Trisha's products are original pieces and are handcrafted in her home studio near Lough Neagh, where she moved five years ago.

Interrailing Packages Ltd

Interrailing Packages was founded in 2009 by Managing Director Donal McKenna, with the aim of making it easier for people to plan-and have- a true European Interrail adventure. The company has now grown into a successful business, offering clients of all ages, and from all backgrounds, unforgettable travel adventures using an interrail pass. The company work in conjunction with hotels, hostels and attractions across Europe. Interrailing Packages provide their clients with practical help and advice when planning their travel. The company offers clients access to an app which offers online and offline access to all their travel documents.

Jasmine & Lily Floral Wreaths

Louise Morrow, the Founder of Jasmine & Lily Floral Wreaths, designs and creates handmade faux floral wreaths for doors, interiors, weddings, memorials and gifts.

Tique Lights

Tique lights is a company based in Armagh, which make Bespoke hand crafted, unique illuminated lights.

McCrackens Real Ale

At McCrackens Real Ale we believe in using natural fresh ingredients. We source many of the ingredients locally to maintain the highest quality standards. Using a specially selected blend of Irish malts with just a hint of caramel malt giving it added flavour. Including a mix of Citra, Cascade and Chinook hops make this Golden Pale Ale both refreshing and flavoursome.

Burren Balsamics

Burren Balsamics was founded in 2014 with the aim of producing top quality vinegars fusing local flavours with superior quality Balsamic Vinegar of Modena to create a range of affordable condiments. The company maintain its ethos of producing a ground-breaking and affordable range of 100% natural fruit balsamics.

Lough Neagh Distillers

Lough Neagh Distillers is a distillery based in Lurgan, beside the shores of Lough Neagh. The company is reviving the ancient craft of distilling in Lurgan and building the first scale distillery in the town since 1837. It uses only local ingredients and botanicals to produce Co Armagh inspired Gin, Vodka, Poitin, Rum and its flagship products, 10-year aged Irish Whiskey, Single Malt Irish Whiskey and a unique blended Rare Irish Whiskey. The company also produce the Spade: Town Limited Edition Gin & Vodka range for the local NI market.
